Who we are

The Investment Migration Council (IMC) is the worldwide association for Investor Immigration and Citizenship-by-Investment, bringing together the leading stakeholders in the field and giving the industry a voice.

What we do

The IMC sets the standards on a global level and interacts with other professional associations, governments and international organisations in relation to investment migration. Additionally the IMC helps to improve public understanding of the issues faced by clients and governments in this area, promotes education and demands the highest professional standards and ethics among its members.

Membership

To become a member, you must have a proven expertise in the sector, have a good reputation, and clean professional and personal record. The IMC has very strict membership admission criteria, to ensure its members are of the highest professional standards.

There are different levels of membership for practitioners, academics, firms, associations and governments, for further information please visit our membership site: investmentmigration.org/membership
