About Us

The Investment Migration Council (IMC) is the worldwide association for investment migration and citizenship-by-investment. It has been formed by leading experts to bring together the foremost stakeholders within the field and to give the industry a voice.

The IMC sets the standards on a global level and interacts with other professional associations, governments and international organisations in relation to investment migration.

Furthermore, the organisation helps to improve public understanding of the issues faced by clients and governments

in this area and promotes education and high professional standards among its members through its Code of Ethics & Professional Conduct.

The IMC is constituted as a not-for-profit association under Swiss law. Based in Geneva, it has representative offices in New York and London.
