“ *We were delighted to be able to attend the 2019 Investment Migration Forum as a Silver Partner. This was a great event, which gave us the opportunity to connect with potential partners that have access to the High Networth Customer base that want our products, and that need International Medical Insurance as a part of the requirements for residency and/or citizenship programmes. It was also of great benefit for us to learn more about the current global investment migration trends.”*

Charles W. Nyren
Head of Business Development, Cigna, UK

“ *The Forum provides an excellent platform for investment migration professionals from around the world to meet, exchange ideas and learn about the industry’s latest trends. As both a sponsor of this year’s event as well as the President of the not-for-profit trade association for EB-5 Regional Center professionals (IIUSA), I fully encourage all EB-5 professionals to participate in next year’s event.”*
