## Introduction

The IMC provides a range of high-quality and specifically targeted promotional channels; these include the IMC website (which benefits from a sustainable subscriber growth), as well as Email Newsletter software which is targeted towards specialised niche segments of the market.

The IMC Media Channels provide cost-effective, measurable and results-oriented means of enhancing your business development.

This document is designed to provide a deeper knowledge about the IMC Visibility Opportunities.

Please contact us on [info@investmentmigration.org](mailto:info@investmentmigration.org) for more details.

## Reasons to partner with us

### Precise Audience Targeting

When partnering with the IMC, you know that your message will reach a specialised target audience which suits your business interests.

### Exclusivity of one advertiser per opportunity

All IMC Visibility Opportunities are limited to one partner per medium/package.

### High-Quality Content

Both the IMC website and e-Newsletters, offer high-quality content that attracts industry professionals, thus giving your advertising more opportunities to be seen by the right audience.

### Extensive post-campaign reporting

Each partner will be provided with a detailed post-campaign report which will be compiled for you by the IMC team.
