IMC best practices policy for attendees, and partners

IMC provides opportunities for partners to have direct exposure to event attendees during the partnered forum defined in this document. All event partners are expected to abide by the following policy: (1) event partners will not detract from any other company's offering by competing with the partnered event, e.g., the hosting of an event at the same time as an IMC partnered event; (2) event partners will not interfere with another partner's or exhibitor's communication with an attendee communication, either directly or indirectly, e.g., the distribution of brochures or other collateral outside of a designated area. These and other similar actions will be considered unacceptable, and will be prohibited except with the explicit written permission of IMC. All attendees, regardless of whether they partner, or network at an event, are subject to the guidelines of this policy. Attendance at the event signifies agreement to this policy and subsequent consequences if violated.

Liability

Partners assume entire responsibility and hereby agree to protect, indemnify, defend and hold the IMC and its employees and agents harmless against all claims, losses and damages to persons or property, government charges or fines and attorney fees arising from or caused by the partner's installation, removal, maintenance, occupancy or use of forum premises or a part thereof, excluding any such liability caused by the sole negligence of the IMC, its employees and agents.

Any other non-registered attendees will be asked to leave. Partner delegate passes must not be altered or covered.
